Information on Course Fees

Course fees are payable at enrolment by cash, cheque or credit card. Invoices can be sent to employers who have agreed to pay their employees' fees.

If you are required to pay course fees, ILA Scotland could provide you with up to £200 each year towards the cost. The Individual Learning Account (ILA) is a Scottish Executive scheme that can help you pay for the learning you want to do. It is available to anyone aged 18 or over, living in Scotland. The value of your learning account is determined by how much you earn. If you earn £18,000 or less per year, or if you are on benefits, you may be eligible for funding of up to £200 per year. If you earn more than £18,000 you may be eligible for up to £100 per year to put towards a range of approved courses. The money is not a loan, so you don't have to pay it back. All you need to do is contribute a minimum of £10 for every course that you take. Visit www.ilascotland.org.uk or call ILA free on 0808 100 1090 for information.

You may be eligible for a 'fee waiver' dependent on your personal circumstances. Please ask for details when you enrol.
